	APPROVAL OF STATE ENGINEER
	This is to certify I have examined the foregoing application, and do hereby grant the same, subject to the following tations and conditions:
iss und pro met div The the ins des rig pub gro hol	This permit to change the point of diversion, place of use and manner of use of waters of an underground source as heretofore granted under Permit 27152 is used subject to the terms and conditions imposed in said Permit 27152 and with the erstanding that no other rights on the source will be affected by the change posed herein. The well shall be equipped with a 2-inch opening and a totalizing er must be installed and maintained in the discharge pipeline near the point of ersion and accurate measurements must be kept of water placed to beneficial use. totalizing meter must be installed before any use of the water begins or before proof of completion of work is filed. If the well is flowing, a valve must be talled and maintained to prevent waste. This source is located within an area ignated by the State Engineer pursuant to NRS 534.030. The State retains the ht to regulate the use of the water herein granted at any and all times. This Permit does not extend the permittee the right of ingress and egress on lic, private or corporate lands.  The well must be sealed with cement grout, concrete grout or neat cement from und level to 100 feet.  The issuance of this permit does not waive the requirements that the permit der obtain other permits from State, Federal and local agencies.  The total combined duty of water under Permits 48964, 48965, 48966, 48967 and 01 shall not exceed 22.27 million gallons annually.  amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to
	ed cubic feet per second , but not to exceed 10.95 million
ga	allons annually.
Wor	k must be prosecuted with reasonable diligence and be completed on or before
Proo	of of completion of work shall be filed before
	lication of water to beneficial use shall be made on or before December 17, 1991
Proo	f of the application of water to beneficial use shall be filed on or before
Map	in support of proof of beneficial use shall be filed on or before
Comp	oletion of work filed FFB 2.7 1991  IN TESTIMONY WHEREOF, I.R. MICHAEL TURNIPSEED, P.E., State Engineer of Nevada, have hereunto set my hand and the seal of my
